

talent BY torsh

Quick Start Guide

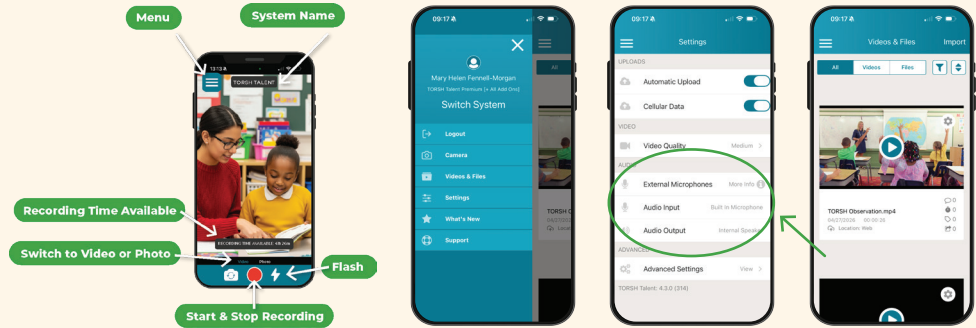

1. Accept Your Invitation

- Accept your TORSH invitation.
- Download the TORSH Talent app.
- Create your account using your email.
- Log in before recording your first video.

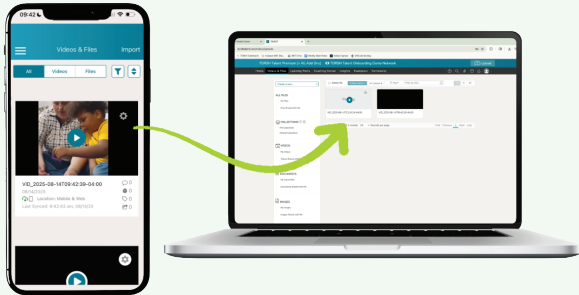

2. Record Your Lesson

- Record using a phone, tablet, or laptop.
- Position the camera so both you and the children are visible.
- Make sure classroom conversations can be heard clearly.

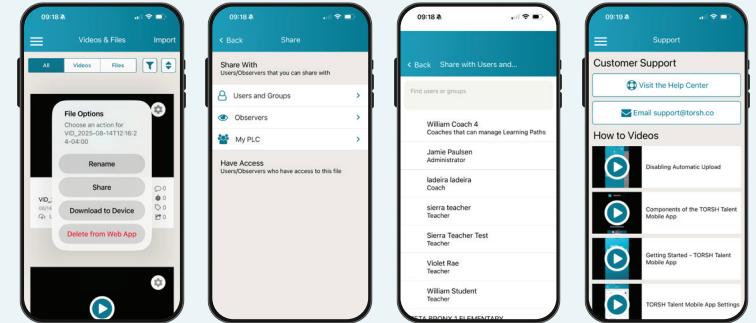

3. Upload Your Video

Recording in the TORSH Talent app?
Your video uploads automatically. Keep the app open until the upload completes.

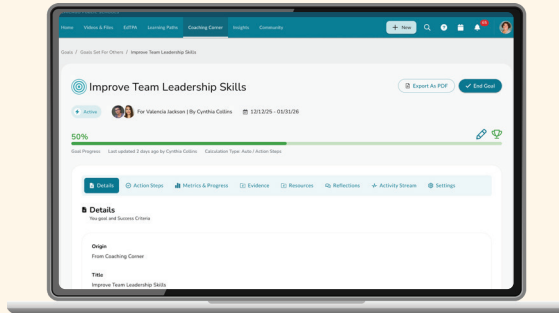

4. Rename and Share

- Select the gear icon.
- Rename your video.
- Select Share.
- Select Users & Groups.
- Search for your Coach.
- Select Share with Users.

5. Review Your Feedback

- Watch for an email notification.
- Log in to review your coach's feedback.
- Read time-stamped comments, suggestions, and resources.
- Apply the feedback.

THE COACHING CYCLE

Consistent recording and reflection leads to stronger teaching and better outcomes for children.
